Dear Time Travellers,

My name is Diana, and I am busy getting ready to meet you when you come on your school trip to Time Travelling at Southwell Minster. The team and I are very excited, because we will be meeting so many children and adults that week – nearly 2000 altogether! I especially love singing songs together at the start and end of the day – I hope you enjoy learning them and listening to them before you come.

The Minster is a VERY old church and people come to visit from all over the world, because there are so many wonderful things to find: little tiny wooden mice and **great big arches and**

towers. I'm sure you will have a wonderful time, because there are lots of interesting people to show you around too. In your activities, you will hear stories from our special book, the Bible, you will make something crafty to take home, and you will have a good look at the lovely building.

I have sent you some photos so you can look forward to coming.

With best wishes

Diana and the Time Travelling team☺

This is the Minster! You will go in through the big door. Can you see it?

This is a person: see how small they are next to the Minster's door.

This is the lovely stone ceiling in our 'Chapter house' room. What shape does it make?

The cross is important for Christians, so look out for lots of them in the Minster.
